Caramelised Pear + Kombu

No added sugar

Ingredients: Whole pears, kombu, vanilla, ginger, cinnamon, star anise, clove, black tea, agave syrup, olive brine, sémillon verjus.

Profile:

Sweetness: Medium

Acidity: Medium

Texture: Medium body

Type: Slightly sparkling, long infusion blend

Description: Familiar spiced roasted fruits, bold body with creamy finish

Food Pairing: Similar to a French country cider, #2 pairs well with soft cheese. Subtle caramel sour notes balanced with olive brine prove to be a great match with bbq pork and other roasted meats. It could also accompany a pear and truffe Tarte Tatin on an autumn day. Don't be afraid to warm this cider up and replace it for a mulled cider.
