Profile.

Sweetness: Low

Acidity: Medium +

Texture: Medium +

Type: Carbonated long steep infusion.

Description: Toasted and savoury, good hint of pepper, umami and similar to a chilled red.

Food Pairing: Toasted hay and bright earth tones from start to finish allow #4 to be paired with game meat or peppery vegetables such as turnip and radish. It also has a softness that can compliment seafood nicely.

This pairing also has a softness that can drift over to seafood.
