

FAT BASTARD

SHIRAZ

TWO THOUSAND & TWENTY ONE

GRAPES

Shiraz.

ORIGIN

South Australia, Australia.

VINTAGE

2021 vintage saw below-average temperatures for the entire growing season. Combined with good rainfall, the resulting wine is deliciously dense in both colour and flavour. A rich, opulent Shiraz - exactly how we like it.

VINIFICATION

Harvested at peak flavour maturity and fermented in stainless steel vats on skins for 7-10 days. Cool storage temperatures and moderate oak used for maturation in order to retain bright, fresh fruit character.

TASTING NOTE

This is no wallflower, so don't hold back. Dive straight into juicy plums, purple violets, blackcurrant jam and licorice spice. This is big, bold and ballsy drinking. Loaded with ripe plush plums, juicy black cherries, a dash of black olive and a sprinkling of vanilla bean. With a finish of dark chocolate, pepper and cinnamon, you will be reaching for the second glass faster than you can say "Fat Bastard".

FOOD MATCH

Go for a saucy Osso Bucco or something equally rich. Snack on some aged cheddar while you're waiting.

FAT BASTARD REMARKABLY FULL BODIED
