

SPY VALLEY SAUVIGNON BLANC 2022

Region	Marlborough, New Zealand
Vineyards	Wairau Valley - Varying depth of alluvial silt loam over gravel, well drained.
Viticulture	Viticulturist - Adam McCone Vertical shoot positioning, shoot and bunch thinning to restrict yield.
Winemakers	Wendy Stuckey and Emily Gaspard-Clark
Winemaking	Harvested at peak flavour maturity. Gentle juice extraction, cold settled and fermented in stainless steel tanks and a portion in older oak with a range of aromatic yeasts.
Vintage	Near perfect weather patterns over the flowering period and through December resulted in even crops and healthy canopies to ripen the fruit. The weather took a turn in February with above average rainfall and cooler temperatures for the month. Perfect ripening conditions then ensued through the remainder of the month and into March. Daily monitoring of our vineyards over the period of harvest was key to maintaining wine quality throughout the season.
Technical	Pick dates: 17 March - 8 April 2022 Brix 20 - 22 Brix Alcohol 12.5%
Aroma	Lifted floral notes, guava, and citrus.
Palate	Distinctive flavours of passionfruit and white nectarine intermingled with layers of minerality, finishing with a fresh mouth-watering acidity.
