

THE WINE

Gewürztraminer is a wildly aromatic variety that produces very distinctive wines. Villa Wolf Gewürztraminer is clean, fruity and wonderfully light on its feet. It shows off the aromatic charm of the grape with a deliciously juicy texture and a delicate aroma of spice, exotic fruits and fresh roses. To preserve a lively balance in the wine, the fruit is picked when it is perfectly ripe, but not over-ripe.

VILLA WOLF

The goal at Villa Wolf is to produce wines that express the pure, authentic terroir of the Pfalz. Made in the classic style of the Pfalz, Villa Wolf wines are dry and full-bodied, with fully ripe fruit flavours and a characteristic stoniness in the aroma. To preserve the naturally high quality of the vineyards, we employ sustainable viticultural practices and emphasize gentle handling of the fruit through traditional, minimalist winemaking.

THE PFALZ

Located in the heart of the Pfalz (pronounced “faults”) region of Germany, Villa Wolf lies between the Haardt Mountains and the Rhine River, directly north of France’s Alsace region. The mountains are relatively small, but they protect the Pfalz from cold, wet Atlantic weather, making it one of the warmer and drier areas of Germany. This climate makes it possible to achieve full ripeness in almost every vintage.

RATING:

[90] Wine Enthusiast 2019 vintage

Classic notes of lychee, white tea and honeysuckle extend from nose to finish in this gorgeously perfumed, fruity white. Just a lip-smacking shade off dry, it’s a juicy, exuberantly fresh sip that’s perfect as an aperitif or accompaniment to delicate spiced foods. It’s a fantastic bang-for-your-buck find that’s best enjoyed young. ANNA LEE C. IJIMA
