PLUMM

MELBOURNE, AUSTRALIA
 WWW.PLUMM.COM

Designed for wine, the Plumm story is one of elegance and simplicity. We've been making wine glasses since 2009 – the only wine glass brand owned by a wine company. We know wine, and we know that enjoying it in the right glass can be the difference between a good glass of wine and a great one. We work with top winemakers, sommeliers and restaurants in Australia and around the world to create wine glasses that are both beautiful and practical. There are thousands of different grape varietals but most fall into a few specific styles. Our collections are designed to elevate those styles, eliminating the need for a glass for every varietal. Wine can be complicated, but wine glasses shouldn't be. Australian owned and made from the finest European crystal, Plumm enhances your wine experience and keeps it simple. So next time you open a bottle of wine, pour it in Plumm.

Plumm. Design. For Wine.

So, this thing with the numbers... it all began in 2005 when our Beer Fountain at Riverhead first flowed we simply gave each beer a number and matching colour - leaving the names open to the locals' interpretations. Curiously, it became a remarkably effective way to order a beer. They've since become iconic, copied, combined and coded... We love this and the simple, good things... hops, malt, water and yeast.

Amisfield was established in 1988 and is a Central Otago based specialist producer of Pinot Noir and aromatic white wines, grown and produced on their single vineyard estate, situated beneath the glacially sculpted Pisa mountain range.

All 92ha of Amisfield's vineyard is certified organic by BioGro New Zealand and viticulture is managed holistically with a focus on nurturing soils, vines and habitats - this, combined with a rugged inland location and an extreme semi-continental climate yields wines of remarkable purity, intensity and vibrancy.

A state-of-the-art, purpose-built winery is the focal point of the vineyard and is designed to enable winemakers to craft wines with minimal intervention and as naturally as possible.

Family owned, Dog Point Vineyard is located at the confluence of the Brancott and Omaka Valleys in Marlborough and is one of the oldest privately established vineyards in the region. They produce four wines including a sauvignon blanc typical of the Marlborough style, a sauvignon aged and fermented in older French oak barrels (Section 94), a chardonnay and a pinot noir.

With a hands-off approach to winemaking, all fruit is from low cropped vines grown in New Zealand's largest Biogro certified organic vineyard.

Wines are vegan, vegetarian friendly and gluten free reflecting their low interventionist ethos. Their primary focus is producing wines of uncompromising quality that will cellar well.

@GREYSTONEWINES

In 2000 the Thomas family purchased an old sheep farm on the Omihi hills because of its amazing limestone slopes and began work to create the Greystone vineyards. From the outset there was one goal; to craft wines to express the terroir that makes North Canterbury special. By 2004 they'd planted thirteen blocks across 40 hectares, with over half being Pinot Noir. Dom Maxwell, the winemaker, has been there from the first vine planting, and is renowned for his experiments in vineyard fermentation. All Greystone wines are grown, made and bottled on site in our straw-bale winery.

Greystone is 100% certified organic with BioGro and practices regenerative agriculture throughout its vineyards.

NEW ZEALAND AOTEAROA

“High Garden is the highest vineyard in Gibbston, on schist rock soils sloping steeply towards the north with very long sunshine hours, making it one of the warmest sites in the coolest subregion for Pinot Noir.” Robin Tedder MW Vigneron.

Planted in 2001/02 the vineyard soils at High Garden comprise a layer of schist rocks over gravelly glacial loess which has been washed down from the mountain range, behind the vineyard, over millennia. These soils provide ideal structure and drainage allowing deep rooting systems to form. There is enough organic matter and sub surface moisture to provide the vines with just enough sustenance to maintain a healthy canopy until winter starts to bite. The average yield is just 4 tonnes or 26 hectolitres per hectare which is similar to the average yield at the Romanee-Conti vineyard in Vosne Romanee, Burgundy. The combination of a very long growing and extended ripening season with low yields per vine, allows for the development of intense fruit flavours and long silky tannin structures. The wine is made with no enzymes, no racking or fining or filtration. The objective at High Garden has simply been to maximize quality no matter what. We only produce the one wine from the heart of the vineyard.

Since 1992 when the Margrain family planted their first vines in the heart of the burgeoning Martinborough Terrace soils, they have pursued their aim of producing small batch wines which are carefully crafted to reflect the region, the season and their dream. Thoughtful but limited expansion over the years has led to an extended range of unique wines designed to be full of character and to express the passion with which they are produced. Winemaker Strat Canning has been on board for over 25 years and his vision to produce top quality wines is inexorably entwined with both generations of the Margrain family who still run and work in the business.

'Hand-crafted No compromise' is the maxim behind Muddy Water, a small family-owned estate on the slopes of Omihi, North Canterbury. Planted in 1993 Muddy Water is the oldest certified organic vineyard in Waipara with many ungrafted vines. 'The world according to Muddy Water should be a cleaner, purer place where wine isn't made to formula but grown and fermented to best reflect the vineyard and season'.

The name Muddy Water comes from Waipara meaning water (wai) and sediment (para) reflecting the dark clay soils over limestone that our vines grow on. All wines are grown, vinified and bottled on estate.

Nanny Goat Vineyard is named after the wild goats that roam the mountainous terrain of Central Otago – a region of climactic extremes, with hot summers, short autumns & bitterly cold winters. At our home in Queensberry, our focus is on producing premium Central Otago Pinot Noir & Chardonnay.

The Nanny Goat Vineyard in Queensberry is proud to be accredited both Biogro Organic and Sustainable Winegrowing New Zealand (SWNZ). Winemaker Alan Peters-Oswald believes that it is his job to make wines that interpret the beauty, the unique place of origin and the quality of the fruit used; resulting in wines with elegance, concentration and balance whilst allowing each individual parcel of fruit to tell its unique story. Each year, we produce our flagship wine, Super Nanny Pinot Noir to highlight one or two parcels of fruit that stand head and shoulders above the rest in the vineyard.

Quarter Acre wines have Rod McDonald's fingerprints all over them. They're a stamp of involvement – moderate, not meddlesome. With a light touch, Quarter Acre wines are guided by the winemaker rather than driven, and largely left to do their own thing with natural ferments, no additives, long lees aging and minimal or no filtration. The result is a collection of wines that taste like they could only have been grown and made right here ... in Hawke's Bay, New Zealand.

Growing and crafting Spy Valley Wines has led to the discovery of unique micro sites that produce exceptional fruit. From original 1993 plantings, usually located on small excessively rocky river terrace sites, the vines have worked hard to establish their roots, producing small berries with ripe concentrated flavours and a unique expression of these varieties. Viticultural excellence and low intervention winemaking deliver a stunning range of wines with great structure, complexity and ageing potential.

Grapes have been grown in New Zealand for over 100 years. During this time there have always been winemakers who have dreamed big, working to create New Zealand's own industry, community and wine culture. Our plan is to figure out where to plant the best small vineyards as the first step towards unlocking the full potential of Syrah and Chardonnay grown and raised in Hawke's Bay. We're up to four so far.

Greatness will come from assembling the best land, people, winemaking know-how and being hell bent on getting everything we can right; it will be a life's work.

Wildsong wines are uncomplicated and grounded with a gentle tale or two to tell of the soil they were grown in and the people who made them.

The first mention of the Lorentz family in the commune of Ribeauvillé dates back to the end of the Thirty Years' War in the second half of the 17th century. They were innkeepers or coopers as well as 'gourmets', the old name given to wine merchants, which afforded them an important status in the local community.

In 1748, winegrower and blacksmith Jean-Georges Lorentz was the first to settle in Bergheim, which later became the heart of our domaine.

His son, Pierre Lorentz, was married to the youngest daughter of the Mayor of the time (Nicolas Schmitt). Generations passed with the birth of Jacques Lorentz in 1798 and Charles Lorentz in 1836. This same year, Maison Lorentz was founded in the commune of Bergheim. Today, Georges Lorentz has the honour of managing the estate, seven generations later.

 @FONTANABIANCA_WINERY

At the Fontanabianca winery they have clear ideas: quality is closely related to the features of the soil in the region of Neive, where Aldo Pola with his family, have been carrying on their work, which the father Franco started in 1969. The tie with the hills which are cultivated with Barbaresco vines was sealed many years ago: the winery is located in the hamlet of Bordini, surrounded by vines which seem to disappear beyond the horizon. Ageing takes place in large oak barrels and the smaller barrique barrels are used for the wine maturation to preserve the taste of grapes in the wine: this is the motto of Fontanabianca.

These were the natural results of a forward thinking strategy, based on the modernisation of selection, batching and ageing circuits, the continuous wine research and the special care which Adriano Ramos Pinto devoted to the packaging and promotion of his wines. In 1990, Casa Ramos Pinto became part of the Roederer Group, whose history has identical characteristics. So, the qualities that gave fame to Casa Ramos Pinto took on an international dimension.

The philosophy at J. Christopher is to produce terroir-driven wines in an Old World style that emphasizes focus, length and balance. As Erni puts it, "We want to make wines that have a fine balance of fruit, acidity and texture, while expressing their unique origins." The key to this is patient winemaking —it is vital not to rush things and allow the wines to develop naturally.

We want the wines to evolve at their own pace, with minimal intervention.

PRICE AND PAYMENT

(a) as indicated on invoices provided by the Seller to the Buyer in respect of Goods supplied; or (b) the Seller's quoted Price which shall be binding upon the Seller provided that the Buyer shall accept the Seller's quotation in writing within thirty (30) days. The Seller reserves the right to change the Price in the event of a variation to the Seller's quotation. At the Seller's sole discretion: (a) payment shall be due on delivery of the Goods; or (b) payment for approved Buyers shall be made by instalments in accordance with the Seller's payment schedule; or (c) payment for approved Buyers shall be due twenty (20) days following the end of the month in which a statement is posted to the Buyer's address or address for notices. Time for payment for the Goods shall be of the essence and will be stated on the invoice or any other forms. If no time is stated then payment shall be due seven (7) days following the date of the invoice. Payment will be made by cash, or by cheque, or by bank cheque, or by credit card, or by direct credit, or by any other method as agreed to between the Buyer and the Seller. GST and other taxes and duties that may be applicable shall be added to the Price except when they are expressly included in the Price.

DELIVERY OF GOODS

At the Seller's sole discretion delivery of the Goods shall take place when the Buyer takes possession of the Goods at the Buyer's nominated address (in the event that the Goods are delivered by the Seller or the Seller's nominated carrier). At the Seller's sole discretion the costs of delivery are: (a) included in the Price; or (b) in addition to the Price; or (c) for the Buyer's account. The Buyer shall make all arrangements necessary to take delivery of the Goods whenever they are tendered for delivery. In the event that the Buyer is unable to take delivery of the Goods as arranged then the Seller shall be entitled to charge a reasonable fee for redelivery. Delivery of the Goods to a third party nominated by the Buyer is deemed to be delivery to the Buyer for the purposes of this agreement. The Buyer shall immediately advise the Seller if Goods ordered are not received within 7 days of placement of the order. The failure of the Seller to deliver shall not entitle either party to treat this contract as repudiated. The Seller shall not be liable for any loss or damage whatever due to failure by the Seller to deliver the Goods (or any of them) promptly or at all.

RISK

If the Seller retains ownership of the Goods nonetheless, all risk for the Goods passes to the Buyer on delivery. If any of the Goods are damaged or destroyed following delivery but prior to ownership passing to the Buyer, the Seller is entitled to receive all insurance proceeds payable for the Goods. The production of these terms and conditions by the Seller is sufficient evidence of the Seller's rights to receive the insurance proceeds without the need for any person dealing with the Seller to make further enquiries.

TITLE

The Seller and Buyer agree that ownership of the Goods shall not pass until: (a) the Buyer has paid the Seller all amounts owing for the particular Goods; and (b) the Buyer has met all other obligations due by the Buyer to the Seller in respect of all contracts between the Seller and the Buyer. Receipt by the Seller of any form of payment other than cash shall not be deemed to be payment until that form of payment has been honoured, cleared or recognised and until then the Seller's ownership or rights in respect of the Goods shall continue. It is further agreed that: (a) where practicable the Goods shall be kept separate and identifiable until the Seller shall have received payment and all other obligations of the Buyer are met; and (b) until such time as ownership of the Goods shall pass from the Seller to the Buyer the Seller may give notice in writing to the Buyer to return the Goods or any of them to the Seller. Upon such notice being given the rights of the Buyer to obtain ownership or any other interest in the Goods shall cease; and (c) the Buyer is only a bailee of the Goods and until such time as the Seller has received payment in full for the Goods then the Buyer shall hold any proceeds from the sale or disposal of the Goods on trust for the Seller; and (d) until such time that ownership in the Goods passes to the Buyer, if the Goods are converted into other products, the parties agree that the Seller will be the owner of the end products; and (e) if the Buyer fails to return the Goods to the Seller then the Seller or the Seller's agent may enter upon and into land and premises owned, occupied or used by the Buyer, or any premises where the Goods are situated as the invitee of the Buyer and take possession of the Goods, and the Seller will not be liable for any reasonable loss or damage suffered as a result of any action by the Seller under this clause.

PERSONAL PROPERTY SECURITIES ACT 1999 ("PPSA")

Upon assenting to these terms and conditions in writing the Buyer acknowledges and agrees that: (a) these terms and conditions constitute a security agreement for the purposes of the PPSA; and (b) a security interest is taken in all Goods previously supplied by the Seller to the Buyer (if any) and all Goods that will be supplied in the future by the Seller to the Buyer. The Buyer undertakes to: (a) sign any further documents and/or provide any further information (such information to be complete, accurate and up-to-date in all respects) which the Seller may reasonably require to register a financing statement or financing change statement on the Personal Property Securities Register; (b) indemnify, and upon demand reimburse, the Seller for all expenses incurred in registering a financing statement or financing change statement on the Personal Property Securities Register or releasing any Goods charged thereby; (c) not register a financing change statement or a change demand without the prior written consent of the Seller; and (d) immediately advise the Seller of any material change in its business practices of selling the Goods which would result in a change in the nature of proceeds derived from such sales. The Seller and the Buyer agree that nothing in sections 114(1) (a), 133 and 134 of the PPSA shall apply to these terms and conditions. The Buyer waives its rights as a debtor under sections 116, 120(2), 121, 125, 126, 127, 129, 131 and 132 of the PPSA. Unless otherwise agreed to in writing by the Seller, the Buyer waives its right to receive a verification statement in accordance with section 148 of the PPSA.

BUYER'S DISCLAIMER

The Buyer hereby disclaims any right to rescind, or cancel any contract with the Seller or to sue for damages or to claim restitution arising out of any misrepresentation made to the Buyer by the Seller and the Buyer acknowledges that the Goods are bought relying solely upon the Buyer's skill and judgement.

RETURNS

Returns will only be accepted provided that: (a) the Buyer has complied with all applicable provisions and (b) the Seller has agreed in writing to accept the return of the Goods; and (c) the Goods are returned at the Buyer's cost within seven (7) days of the delivery date; and (d) the Seller will not be liable for Goods which have not been stored or used in a proper manner; and (e) the Goods are returned in the condition in which they were delivered and with all packaging material and brochures in as new condition as is reasonably possible in the circumstances. The Seller may (in its discretion) accept the return of Goods for credit.

WARRANTY

For Goods not manufactured by the Seller, the warranty shall be the current warranty provided by the manufacturer of the Goods. The Seller shall not be bound by nor be responsible for any term, condition, representation or warranty other than that which is given by the manufacturer of the Goods.

CONSUMER GUARANTEES ACT 1993

If the Buyer is acquiring Goods for the purposes of a trade or business, the Buyer acknowledges that the provisions of the Consumer Guarantees Act 1993 do not apply to the supply of Goods by the Seller to the Buyer.

INTELLECTUAL PROPERTY

Where the Seller has designed, drawn or written Goods for the Buyer, then the copyright in those designs and drawings and documents shall remain vested in the Seller, and shall only be used by the Buyer at the Seller's discretion. The Buyer warrants that all designs or instructions to the Seller will not cause the Seller to infringe any patent, registered design or trademark in the execution of the Buyer's order and the Client agrees to indemnify the Seller against any action taken by a third party against the Seller in respect of any such infringement.

DEFAULT & CONSEQUENCES OF DEFAULT

Interest on overdue invoices shall accrue daily from the date when payment becomes due, until the date of payment, at a rate of two and one half percent (2.5%) per calendar month and such interest shall compound monthly at such a rate after as well as before any judgement. If the Buyer defaults in payment of any invoice when due, the Buyer shall indemnify the Seller from and against all costs and disbursements incurred by the Seller in pursuing the debt including legal costs on a solicitor and own client basis and the Seller's collection agency costs. Without prejudice to any other remedies the Seller may have, if at any time the Buyer is in breach of any obligation (including those relating to payment), the Seller may suspend or terminate the supply of Goods to the Buyer and any of its other obligations under the terms and conditions. The Seller will not be liable to the Buyer for any loss or damage the Buyer suffers because the Seller has exercised its rights under this clause. If any account remains overdue after thirty (30) days then an amount of the greater of \$20.00 or 10.00% of the amount overdue (up to a maximum of \$200) shall be levied for administration fees which sum shall become immediately due and payable. Without prejudice to the Seller's other remedies at law the Seller shall be entitled to cancel all or any part of any order of the Buyer which remains unfulfilled and all amounts owing to the Seller shall, whether or not due for payment, become immediately payable in the event that: (a) any money payable to the Seller becomes overdue, or in the Seller's opinion the Buyer will be unable to meet its payments as they fall due; or (b) the Buyer becomes insolvent, convenes a meeting

with its creditors or proposes or enters into an arrangement with creditors, or makes an assignment for the benefit of its creditors; or (c) a receiver, manager, liquidator (provisional or otherwise) or similar person is appointed in respect of the Buyer or any asset of the Buyer.

SECURITY AND CHARGE

Despite anything to the contrary contained herein or any other rights which the Seller may have howsoever: (a) where the Buyer and/or the Guarantor (if any) is the owner of land, realty or any other asset capable of being charged, both the Buyer and/or the Guarantor agree to mortgage and/or charge all of their joint and/or several interest in the said land, realty or any other asset to the Seller or the Seller's nominee to secure all amounts and other monetary obligations payable under these terms and conditions. The Buyer and/or the Guarantor acknowledge and agree that the Seller (or the Seller's nominee) shall be entitled to lodge where appropriate a caveat, which caveat shall be withdrawn once all payments and other monetary obligations payable hereunder have been met. (b) should the Seller elect to proceed in any manner in accordance with this clause and/or its sub-clauses, the Buyer and/or Guarantor shall indemnify the Seller from and against all the Seller's costs and disbursements including legal costs on a solicitor and own client basis. (c) the Buyer and/or the Guarantor (if any) agree to irrevocably nominate constitute and appoint the Seller or the Seller's nominee as the Buyer's and/or Guarantor's true and lawful attorney to perform all necessary acts to give effect to the provisions of this clause.

CANCELLATION

The Seller may cancel any contract to which these terms and conditions apply or cancel delivery of Goods at any time before the Goods are delivered by giving written notice to the Buyer. On giving such notice the Seller shall repay to the Buyer any sums paid in respect of the Price. The Seller shall not be liable for any loss or damage whatever arising from such cancellation. In the event that the Buyer cancels delivery of Goods the Buyer shall be liable for any loss incurred by the Seller (including, but not limited to, any loss of profits) up to the time of cancellation.

PRIVACY ACT 1993

The Buyer and the Guarantor/s (if separate to the Buyer) authorises the Seller to: (a) collect, retain and use any information about the Buyer, for the purpose of assessing the Buyer's creditworthiness or marketing products and services to the Buyer; and (b) disclose information about the Buyer, whether collected by the Seller from the Buyer directly or obtained by the Seller from any other source, to any other credit provider or any credit reporting agency for the purposes of providing or obtaining a credit reference, debt collection or notifying a default by the Buyer. Where the Buyer and/or Guarantors are an individual the authorities are authorities or consents for the purposes of the Privacy

Act 1993. The Buyer and/or Guarantors shall have the right to request the Seller for a copy of the information about the Buyer and/or Guarantors retained by the Seller and the right to request the Seller to correct any incorrect information about the Buyer and/or Guarantors held by the Seller.

GENERAL

These terms and conditions and any contract to which they apply shall be governed by the laws of New Zealand and are subject to the jurisdiction of the courts of New Zealand. The Seller shall be under no liability whatever to the Buyer for any indirect loss and/or expense (including loss of profit) suffered by the Buyer arising out of a breach by the Seller of these terms and conditions. In the event of any breach of this contract by the Seller the remedies of the Buyer shall be limited to damages which under no circumstances shall exceed the Price of the Goods. The Buyer shall not be entitled to set off against or deduct from the Price any sums owed or claimed to be owed to the Buyer by the Seller. The Seller may license or subcontract all or any part of its rights and obligations without the Buyer's consent. The Seller reserves the right to review these terms and conditions at any time. If, following any such review, there is to be any change to these terms and conditions, then that change will take effect from the date on which the Seller notifies the Buyer of such change. The provisions of the Contractual Remedies Act 1979 shall apply to this contract. Neither party shall be liable for any default due to any act of God, war, terrorism, strike, lock-out, industrial action, fire, flood, drought, storm or other event beyond the reasonable control of either party. The failure by the Seller to enforce any provision of these terms and conditions shall not be treated as a waiver of that provision, nor shall it affect the Seller's right to subsequently enforce that provision. A full set of terms of trade are included with each account application form.
