## PINOT GRIS RESERVE 2021 – dry

### Appellation

AOC Alsace

### Grape Variety

100% Pinot Gris

### Ageing

3 to 5 years

### Tasting notes

Eye : pale yellow color, brilliant and clear.

Nose : rather discrete due to its youth, clearly marked by fruity flavours, frank and full of finesse: white fruits, vineyard peach and pear.

Mouth : well balanced, dry, with a very good length. Gastronomic wine, without heaviness on the palate, fruity and tangy freshness that persists.

### Food & Wine

The Pinot Gris is a very versatile wine which you can enjoy all along a menu. You can have it as an aperitif or with a buffet, pair it with some hot starters based on “foie gras”, sweet and sour dishes, Thai food, with some game food cooked with vegetables/mushrooms, roasted meats, mild hard cheeses and desserts.

### Origin

Various hill-sides around the little village of Bergheim with a predominance of heavy soils compound by clay and limestone.

### Vintage

Despite the chaotic weather conditions observed throughout the year 2021, the professionals welcome the high-quality wines produced.

After a rather cold start of the year, the end of winter was relatively mild and well-watered thus allowing an early bud burst, exposing the vines to dreaded frosts from April till May. It wasn't until June to see a mild weather set in and the growth of the vine literally explode. It was during this period that important rainfall being recorded, favoring the development of mildew and madding conditions extremely difficult for the vinegrowers to intervene. The weather conditions fortunately became much more favorable again from August allowing to approach harvest more serenely.

A vintage of small quantity which will offer wines typically Alsatian, very fresh and aromatic, tense and pure, crunchy, very attractive and pleasurable to drink.

Alcohol content: 13°80 ∞ Residual sugars: 5.48 g/L ∞ Total acidity: 6 g/L
