## CHÂTEAU FONTPINOT XO

---

Exclusively harvested, distilled and aged at the Château Fontpinot, this Grande Champagne cognac claims the « Château » appellation which grants it its rarity. His long ageing in dry cellars gives it all this finesse and elegance.

### COLOUR

Château Fontpinot XO unveils a gorgeous autumnal golden-orange colour with warm highlights.

### BOUQUET

This XO cognac is the fruit of long ageing in dry cellars, which gives it a subtle, complex, refined, long-lasting bouquet consisting of candied fruit aromas (dried apricot, dried fig), marzipan, hazelnut, nougat, then port notes and finally the famous “rancio” character.

### PALATE

Balanced, rich and complex on the palate with aromas of dried fruits and candied fruits and an exceptionally long finish.

### TASTING TIPS

Add a drop of water to Château Fontpinot XO to let the aromas breathe and soften the power of the cognac.
