Bird *in* Hand Shiraz 2022

A D E L A I D E

The fruit for this wine is selected from four premium cool climate sites across the Adelaide including Adelaide Hills to ensure the optimum balance of power and finesse with juicy ripe fruit framed by silky soft tannins.

A variety of fruit pressing techniques were used before a mixture of inoculated and wild fermentation took place. The fruit spent 7-12 days on skins before being transferred to seasoned French oak barriques. All vineyard parcels were kept separate until blending stage, following 18 months in French oak (40% new).

The resulting medium ruby shiraz has lifted and perfumed notes of blackberry, blueberry and violet characters laced with classic nuances of black pepper, cedar and an intriguing savoury edge. Medium bodied and elegant with fleshy dark fruit characters, silky tannins and balanced acidity culminating in a long and rewarding finish.

Technical Data

Alc: 14.5

pH: 3.62
