| <b>BLEND</b>         | 89% Syrah, 11% Merlot                                                                                                                                                                                              |
| <b>ANALYSIS</b>      | Alc.— 14.0% pH - 3.68 TA - 5.57 g/L RS - Dry                                                                                                                                                                       |
| <b>VITICULTURE</b>   | Spur pruned VSP trellis cropped at 2 kg/vine. Trimmed and fruit zone leaf plucked. Machine harvested at 23.2 Brix.                                                                                                 |
| <b>WINEMAKING</b>    | Destemmed to tank. Part hand plunged and part pumped over. Pressed to tank for MLF then to barrel for 9 months.                                                                                                    |
| <b>TASTING NOTES</b> | Deep colour with complex dark plum and berryfruit characters along with subtle notes of violets. Well balanced, with supple tannins and mouth-filling flavour. It will evolve over a decade or more in the cellar. |
